

Design Bus Timetable App by **Kuldeep Singh(1895270)**

Welcome to ‘**Travel with uS**’

‘Travel With Us’ is a bus booking app which is beneficial for two types of travellers **Intercity** and **Intracity**. User can easily book tickets and can also cancel them if needed.

1. Intercity Bus Booking : In this category user can use this app to travel within the city.
2. Intracity Bus Booking : In this category user can use this app to travel from one city to another.

Key Features :

- a. Easy to use
- b User Friendly design
- c. Beneficial for Intercity travellers
- d. Intracity travellers also can book ticket via this app
- e. User can book ticket in 3 simple steps for intracity travelling
- f. User can cancel ticket, download e-ticket
- g. User can check full route of buses
- h. User can select bus on the basis of Top Ratings, Price and Departure time
- i. Option for user signup and create profile
- j. Guest users can book ticket without sign up or login
- k. User can cancel pre-booked tickets
- l. Customer support 24/7
- m. Secure payment method
- n. User can easily check for buses from point A to B
- o. Bus route will show every stop arrival/departure time
- p. User can easily contact Our Customer support system

NOTE : This APP design is divided in Four parts

- 1. Splash-Login-signup-Home Screens*
- 2. Intercity Bus Booking*
- 3. Intracity Bus Booking*

1. Splash-Login-signup-Home Screens

4. Home screen SIDE DRAWER options.

- Splash screen will open for 2-3sec, when user click 'Travel with uS' icon and after that moved to 2nd activity i.e Login/SignUp/Guest_User screen.
- Here user can signUp for new account or sign in or can also use app as a guest user.

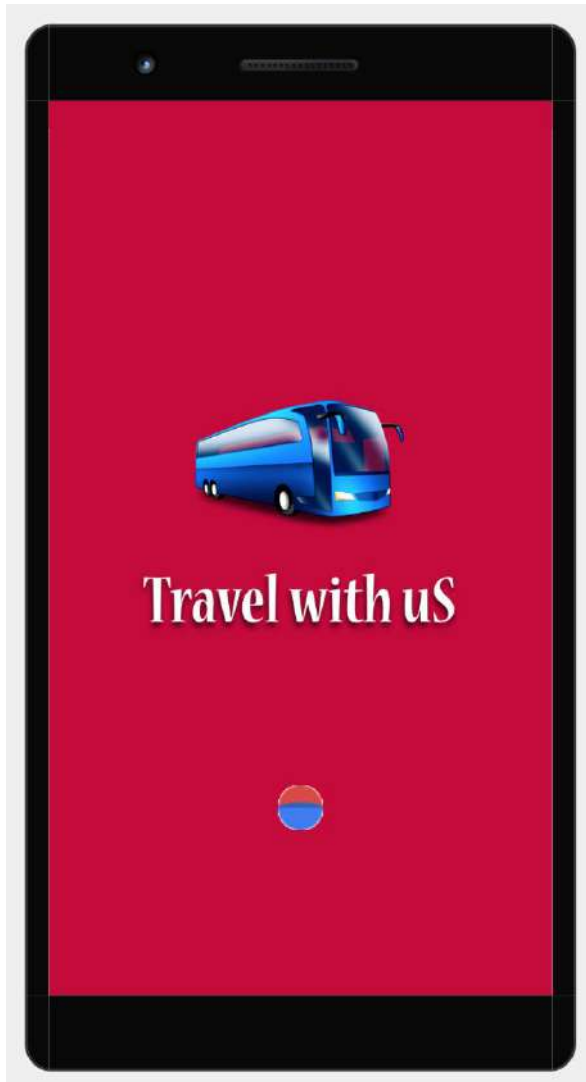

Automatically move to login screen
